

BENCHMARK

Fully skilled Cabinet Maker

Who we are

Benchmark are one of the leading furniture makers in the UK and work with many of the world's top architects & designers.

You will be making our award-winning furniture collection as well as bespoke furniture for workspaces, public buildings, hospitality, retail and private clients. We have a really varied workload which brings new and interesting challenges every day.

We have a lovely working environment, based on a converted farm, surrounded by fields and woodland. Our workshops are full of light and space.

Job description:

We are looking for someone who will work to high standards with excellent skills, initiative and a can-do attitude. Most importantly you must have the heart of a craftsman with a desire to make everything to the absolute best of your ability.

Key responsibilities within the role:

- Producing excellent cabinetry and bespoke furniture from technical drawings
- Timber and material component machining
- Project and component assembly & occasional installation

The ideal candidate:

- Will have experience of dealing with all aspects of Furniture and Cabinet making process from machine work to finishing and assembly
- Someone who takes pride in their work, enjoys working with fine detail and aims to produce a stunning product
- Have the ability to work to tight deadlines to produce furniture on agreed timescales to the correct specifications
- Will have hands-on bench experience in the manufacture of furniture
- Understand designs, technical drawings and written instructions
- Be able to work very accurately with excellent attention to detail
- Have good communication skills
- Be able to work without supervision and as part of a team
- Be open to learning and developing our methods and processes

The successful candidate MUST have the following:

- A minimum of 3 years' previous experience in high-end bespoke cabinet making

BENCHMARK

- The ability to construct cabinetry
- Hold a full UK driving licence - due to the site location and occasional need to install on site

What's on offer:

- Full time position (Workshop hours are: 7am to 3.45pm Monday to Thursday. 7am to 2pm Friday)
- A positive, productive and enthusiastic working environment
- Advanced, tidy & modern workshop with a well organised workload
- A large variety of work including both domestic and commercial projects
- Paid overtime (when available)
- Additional holiday awarded for long service
- Pension scheme
- Cycle to work scheme
- Social events
- Competitive salary £30k- £34k standard
