Woodworking Machinist for Furniture Makers

We are looking to recruit an experienced Wood Machinist to join our friendly team based in our workshops in Kintbury, near Hungerford. As one of the leading furniture makers in the UK, we work with many of the world's top architects & designers, creating award-winning furniture.

The role:

- Working as part of a close-knit team in our Mill & Workshop.
- Preparing timber using a variety of wood working machines including Crosscut saws, Straight line edger, 6 head Moulder, Spindle Moulders, Surface planers and Thicknessers.
- Ensuring deadlines are met for each job.

The ideal candidate:

- Will have the ability to read and understand working drawings.
- Have a good knowledge of timbers and their properties.
- The ability to perform heavy manual labour, including standing, pulling and frequent lifting.
- An understanding of Health & Safety requirements.
- High standards, initiative, and a can-do attitude
- The ability to work on their own and as part of a team.

Beneficial but not essential:

- Sideloader forklift licence.
- Counterbalance forklift licence.
- Previous experience – however, training will be provided to the right candidate.

What's on offer:

- Free cooked lunches – Monday to Thursday
- Free parking
- Paid overtime (when available)
- Sick pay
- Cycle to Work Scheme
- Pension Scheme
- Social events
- Additional holiday awarded for long service
- A lovely working environment, based on a converted farm, surrounded by fields and woodland.
- Really varied workload, which brings new and interesting challenges every day.

Our workshop hours are:

7am to 3.45pm Monday to Thursday

7am to 2.00pm Friday

Salary: £12 - £16 per hour (dependent on experience)

Plus paid overtime when available
